### The 2010 FIFA World Cup Organising Committee South (OC)

The 2010 FIFA World Cup Organising Committee South (OC) Africa has launched a weekly electronic newsletter – Inside 2010. Aimed at informing people on the preparations for the 2010 FIFA World Cup, it is a must read for anyone who wants to keep abreast of progress towards the hosting of the FIFA World Cup.

You can sign up by going to <http://newsletter.2010oc.com/inside2010>

### OC photo library

Photographs of the host country, including the stadiums, host cities, tourist attractions and the South African football experience, are being made available through an OC photo library. You can access this library through the FIFA Media Channel. Members of the media may use these images free of charge for editorial use only.
